HIGH SCHOOL DIPLOMA

3 WAYS TO EARN YOUR DIPLOMA

1. WALLINGFORD ADULT HIGH SCHOOL CREDIT DIPLOMA

This program offers residents of Wallingford, Berlin and Cheshire the opportunity to earn a high school diploma. Participants may earn credits through a combination of afternoon courses and online courses. Credits may be transferred from public or private high schools and state technical high schools. To receive this “traditional” diploma, you must earn **25 credits**, including those you may have earned at your former high school. The Wallingford Adult High School Credit Diploma Program offers small classes and online courses. When all credits are completed, of which four must be in English, four in mathematics, three in science, four in social studies (including U.S. History and Civics), and two in Vocational Education /Arts, a diploma will be awarded. CDP is open to all people who are at least 17 years or older, do not hold a high school diploma, and are no longer officially enrolled in high school. For more information about this diploma option, please call the Adult Education School Counselor, Monday through Thursday 203-294-3900.

CLASSES: Monday through Thursday 2:30 – 4:00 pm and 4:00 – 6:00 pm

2. NATIONAL EXTERNAL DIPLOMA PROGRAM (NEDP)

A high school diploma program for adults and out-of-school youth that incorporates hands-on learning to prove high school-level skills. This flexible, self-directed program allows participants to engage in activities that have real-world relevance. The NEDP requires participants to demonstrate their high school level abilities by applying them in simulated, academic, workplace and life contexts. Aligned to the College and Career Readiness Standards, the NEDP will assess three (3) foundation content areas and seven (7) functional life skills content areas. NEDP is recommended for those 21 years of age and older who have acquired life skill experiences needed for successful completion of the program. **OPEN ENROLLMENT – By Appointment**

3. PREPARATION FOR GED® TEST

This program prepares adult learners to pass the four-part, computer-based exam to earn a State of Connecticut high school diploma. Students receive necessary instruction in each of four subject areas – science, social studies, math and language arts – plus the basic computer skills needed to take the exam. Instructors will also review the official website, ged.com where students can access related exam information and exam registration procedures. To be able to register for the GED exam, students must be at least 17 years old and officially withdrawn from school for six months. Students can begin the GED registration process online at ged.com and complete the process in person at Wallingford Adult Education. Individuals with a documented disability who require accommodations to take the GED test should use www.ged.com to apply for test accommodations.

DAYTIME CLASSES: Monday through Thursday, 9:00 to 11:00 am

EVENING CLASSES: Tuesday and Thursday, 6:00 to 8:00 pm

Iceland's Magical Northern Lights

March 14-20, 2024

Experience it! Each year, during the winter months, travelers journey to Iceland and venture out into the dark to see the magical but elusive northern lights (aurora borealis). This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere; the results are spectacular. Streaks of colorful light appear across the sky. The colors can vary from white to pink or purple and, most commonly green. It is known that the best time to witness the lights in Iceland is from Late September to mid-April, when the nights are the longest. This light show is truly dazzling and worth the pursuit.
